

Tony Ellison UX/Visual Designer

Email: tonyjellison@gmail.com Phone: 616.558.6508 Portfolio: www.behance.net/tonyjellison

Address: 2532 W Iowa St. Chicago, IL 60622

Statement

I am a designer who is passionate about creative problem solving in any branch of human-centered design. I focus mainly on interactive design, but I've developed skills within user research. Other fields of expertise include front-end web development and graphic design.

Education

BFA – Digital Media (*Interactive Focus*)

Kendall College of Art & Design 2011 - 2015

17 Fountain St. NW, Grand Rapids MI 49503

Experience

Varsity News Network — Product Designer

April 2016 – Present

Worked as a part of the UX team to perform usability testing and user research. Collaborated with UX team members to create personas, user flows, wireframes, prototypes, and high quality product interfaces.

Varsity News Network — Front End Designer

March 2015 – April 2016

Worked with UX and development implementing designs for VNN's applications.

Varsity News Network — Design Intern

June 2014 – March 2015

Creation of web banner advertising and visual design for marketing materials.

Treadstone Funding — Multimedia Designer

Feb 2012 – March 2013

Worked with marketing department creating visual assets for web, video, motion, and print.
